

INFORMATION NOTE – STATEMENT OF OBJECTIONS

The Guernsey Competition and Regulatory Authority (**GCRA**) has issued a notice under section 43 of the Competition (Guernsey) Ordinance, 2012 (**Statement of Objections**) alleging that The Medical Specialist Group LLP has breached Guernsey competition law by entering into anti-competitive agreements and abusing a dominant position in relation to the provision of secondary healthcare services in Guernsey.

No conclusion should be drawn that there has been an infringement of competition law at this stage and The Medical Specialist Group LLP will now have the opportunity to respond to the allegations.

The GCRA will consider any representations it receives before any decision is taken as to whether Guernsey competition law has in fact been infringed.
