Extension of Deadline for Responses to Statutory Invitation to Comment

On 10th September 2004, the Office of Utility Regulation published an invitation to Comment¹ entitled “Extension of Powers to Enable Control of Postal Prices outside the Reserved Sector: Statutory Invitation to Comment”. The OUR invited interested parties to submit written representations or objections to the proposal in the notice within 14 days of publication of the notice.

The Director General has received a request for an extension to this deadline from Guernsey Post Ltd, in which they stated that the initial period for comment was not sufficient for the company to prepare a response.

To facilitate this, the Director General is extending the deadline for submission of responses to this consultation from 24th September 2004 to 8th October 2004.

This Information Notice replaces all previous communications regarding the deadline for submission of comments to OUR document 04/18.
