

INFORMATION NOTE – CICRA 18/54

NOTICE OF DRAFT DECISION

On 20 December 2018, the GCRA issued a Draft Decision with regards to standby charges for embedded electricity generation applied by Guernsey Electricity Limited.

The Draft Decision refers to a third party report which at the date of this information note is not in the public domain. In view of the urgency in issuing the Draft Decision, the paper has been submitted to the respondents to the Call for Information dated 4 July 2018. It is intended that the Draft Decision will be formally issued following the publication of the third party report.
