Extension of Deadline for Submission of Mobile Licence Applications

The Director General has decided to extend the deadline for submission of applications for 2G and 3G Mobile Telecommunications Licences in the Bailiwick of Guernsey from 12 noon (GMT) 29th November 2002 to 12 noon (GMT) 3rd December, 2002.

The Director General has decided to grant this extension to the deadline due to the disruption to air travel resulting from the airport strikes in the UK scheduled for inter alia the 28th November and 2nd December, 2002. The Director General acknowledges that the strike on the 28th November could pose serious difficulties for potential applicants to submit their applications by the original deadline of midday (GMT) 29th November.

This Information Notice replaces all previous communications regarding the deadline for submission of applications for 2G and 3G Mobile Telecommunications Licences.
