## **Extension of Deadline for Submission of comments on the Wholesale review of Cable & Wireless Guernsey's Business**

On 2<sup>nd</sup> of April 2008 the OUR published a Consultation paper entitled "*Review of C&W Guernsey's Wholesale Business*" (OUR 08/09). That paper set out the assessment from a review conducted by the OUR with the assistance of expert advisors, as to whether there are systemic issues within C&WG's wholesale business which need to be addressed and if so identify appropriate remedies to be put in place to address any such concerns. The report is supplemented with the publication in full of the report from the OUR's experts Regulaid, and sets out a wide ranging commentary on C&WG's performance.

Interested parties were asked to submit written representations and objections by 12<sup>th</sup> of May 2008. However following a request for an extension to the consultation period, the DG has decided to extend the deadline to 5pm on Friday 16<sup>th</sup> of May 2008.
