Access Products Delivery Roadmap

WORK PLAN ITEM 2

Pre-Consultation

GCRA sends pre-consultation information requests inviting comments on the proposed introduction of Access Products: Dark Fibre, Bitstream and Fixed Number Portability.

Completed

Stakeholder Engagement

GCRA engages with service providers, IT integrators, large and medium businesses to gather stakeholder insight on demand for access products.

Completed

Benchmarking Analysis

GCRA compares Guernsey's product access market offering to other jurisdictions with similar economic and geographical characteristics.

Completed

Consultation Paper and Workshop

GCRA publishes a formal Access Services Consultation Document and invites stakeholders' feedback.

GCRA hosts a stakeholder workshop on Access Products.

August - September 2024

Proposed Decision

GCRA considers feedback to the Consultation Document and publishes a Proposed Decision.

Q4 2024

Final Decision

GCRA considers feedback to the Proposed Decision and publishes a Final Decision.

Q1 2025
