

## **EXEMPTION APPLICATION FORM**

---

Under Article 9 of the Competition (Jersey) Law 2005

Effective from 10 August 2010

---

## **Introduction**

The Law provides that any parties involved in an arrangement that is captured by Article 8(1) (a “**restrictive agreement**”) of the Competition (Jersey) Law 2005 (the “**Law**”) can apply to the JCRA to request an exemption under Article 9(1) of the Law. This Exemption Application Form provides a framework for supplying the JCRA with the information it would normally require to consider an Application.

Prior to submitting an Application to the JCRA, parties should read the instructions below and Guideline 9 Applications for Guidance and Exemption, which is available on our website at [www.jcra.je](http://www.jcra.je).

## **The Need to Submit Accurate and Complete Information**

The Application must be submitted by one or all parties to such arrangements (the “Applicant(s)”). The Applicant(s) must, however, be capable of certifying the accuracy of the information contained therein. If only one Applicant signs the application form it must state whether or not it has the consent of the other party or parties to the arrangement and if not, why not.

The Law makes it a criminal offence to knowingly or recklessly provide the JCRA with information that is materially false or misleading. The JCRA also may delay its investigation, or refuse to approve an exemption for an arrangement, if the Applicant(s) do not provide all the required information. Any estimates provided in an Application should be identified as such and be the best estimates of the underlying facts. Any opinions expressed in the Application must be held sincerely.

The Exemption Application Form is intended to assist Applicant(s) to provide information to the JCRA in a structured form, and to provide some level of comfort that the information requested in the Exemption Application Form will generally be sufficient to assess an Application for Exemption. Applicant(s) may consider that any particular information requested in the Application may not be necessary for the JCRA’s examination of the arrangement

## **Confidentiality**

The Law requires the JCRA to keep confidential non-public information it receives during the assessment of a request for an exemption. This restriction does not apply to

information for which the JCRA receives consent for disclosure. The Applicant(s) must clearly indicate the information contained in or submitted with the Application they believe is confidential and not subject to disclosure by the JCRA to third parties. You also must give reasons why this information should not be disclosed. After receipt of a completed Application, the JCRA will contact you to confirm the scope of confidentiality. The JCRA shall deem both the Applicant and, if different, the person to whom the information relates, to have consented to the disclosure of information contained in or submitted with the Application that has not been indicated as confidential.
